## CATHERINE & PIERRE BRETON 2019 "CLOS SÉNÉCHAL," BOURGUEIL

---

# CL

Clos Sénéchal is one of the top tier wines produced by the husband and wife team. It is from a parcel on the hillside above the plateau of Galichets, where clay and limestone soil sits atop the famed tuffeau of the Loire, the chalky white limestone quarried to build many of the famed châteaux of the region. Deep, dark, and dense this 100% Cabernet Franc is the perfect accompaniment to rich meat based dishes.
