LYRARAKIS 2020 VIDIANO, CRETE, GREECE

CL

Often referred to as the Greek Chardonnay due to its widespread cultivation on the island of Crete this obscure varietal is relatively unheard of in the states. Crisp and clean with a defined oceanic presence and just a touch of volcanic minerality.

CANTINA DI VENOSA 2018 AGLIANICO DEL VULTURE, CAMPAGNA, ITALY

Aglianico can often be a difficult grape to work with as it is very tannic and usually needs extended aging time to really express its more subtle notes. Vulture in Campagna might be the best example of the exception to this rule as this wine is dark and luscious even in its youthful state.
