## APHROS 2020, VINHO VERDE, LIMA, PORTUGAL

---

# CL

Light, bright, and just slightly effervescent, this wine is a great classic example of the region and style. This brisk white is composed entirely from the indigenous varietal Loureiro and is great everyday sipper as it is lower in alcohol.

## FREIRE LOBO 2017, "VIGNO" VINHO TINTO, DAO, PORTUGAL

---

Deep dark cherry notes along with a pronounced earthiness make this red blend from the Dao region a great food friendly wine. Composed of the classic native Portuguese varietals Alfrocheiro, Jaen, and Touriga Nacional and is aged entirely in stainless steel.

## TEXTURA DA ESTRELA 2018, VINHO TINTO, DAO, PORTUGAL

---

Made up of the same indigenous varietals as the Freire Lobo, this wine is an interesting counterpart from the same region with brighter fruit and more of a pronounced herbal component

## **PREGO NO PÃO CAVES SAN JOAO 1994, "POCO DO LOBO" CABERNET SAUVIGNON, PORTUGAL**

---

It's always a pleasure to have the opportunity to try a wine at its peak age and this Cab is no exception. We recommend using an ah-so to open this bottle as the cork is delicate. Do not decant this wine however as it will oxidize more quickly. Simply enjoy directly poured from the bottle.
